ENNA MARIE E. MORTIZ

GRAPHIC DESIGNER

PROFILE

Results-driven graphic designer with a strong foundation in visual communication, branding, and layout design. Adept at developing clean, professional design solutions that align with organizational goals and enhance brand identity across print and digital platforms. Skilled in collaborating with cross-functional teams to deliver high-quality, deadline-driven creative assets. Committed to producing visually consistent and strategically effective materials that support marketing, communication, and business objectives.

WORK EXPERIENCE

Dadiangas West Elementary School

2025

Practice Teaching - Internship

- Active involvement in planning and delivering lessons, facilitating classroom activities, and supporting student learning in a real educational environment. Worked closely with a cooperating teacher to observe and apply effective instructional strategies, classroom management techniques, and student engagement methods.

The Papyrus

2022-2025

Senior Layout Artist

- Served as Senior Layout Artist for a free-speech student publication, leading the design and formatting of print and digital issues over a three-year period. Collaborated with editors, writers, and illustrators to translate editorial content into visually engaging layouts that maintained clarity, consistency, and strong visual hierarchy.

Freelance

2021-2025

Graphic Designer

- Collaborated with diverse clients to develop custom branding, marketing materials, and digital content tailored to their business goals and target audience.
- Designed logos, social media graphics, posters, and print assets while ensuring consistency with client brand identity and messaging.
- Managed multiple projects independently, from concept development to final delivery, while maintaining strict deadlines and high-quality standards.
